

# BEEHIVE HANGING BASKETS

Heavy Duty Beehive basket

Beehive basket

The beehive basket is our most popular basket with the heavy-duty version the basket used by many council's nationwide for street beautification displays.

Manufactured from galvanised wire the standard beehive baskets are supplied with chains and hanging hook. The heavy-duty options use heavier gauge wire and are manufactured with more spirals around the basket and feature stronger chain and hook.

All beehive baskets can be supplied in an optional powder coated finish if desired.

A variety of standard sizes are available in each design.

Please contact us for our catalogue or to discuss the options that we have available.

**All sizes are nominal**
