INDOOR SOCCER GOAL STORAGE

Irwinsport indoor soccer goals have folding sides allowing for easy storage but to assist further, wall storage brackets and a trolley are available.

The steel brackets are powder coated and supplied in sets of four – two brackets per goal.

The trolley provides somewhere to store the goals and allows them to be moved around the venue easily. Each trolley will hold two pairs (four) goals and is supplied in powder coat finish with non-marking wheels fitted. Simple assembly is required. Soccer goals and nets are not included.
