

## JUBILEE HANGING BASKETS

The Jubilee basket is a larger basket in the shape of traditional hanging baskets but with a modern, unfussy look.

Manufactured using wire, the rings and side struts are hand formed and then welded together.

Supplied with all fittings and a strong welded link chain the basket is zinc plated for corrosion protection and can be supplied in a black powder coated finish if preferred.

Available in three sizes please contact us for our catalogue or to discuss the standard options.

**All sizes are nominal**

**L A Irwin Limited reserves the right to alter any specifications**

**Issued: October 18**
