

## OUTDOOR COMBINATION RUGBY/SOCCER GOALS

Junior 4m x 2m inground soccer goals with extended posts and a second crossbar to create the rugby goal. Posts are 5.5 metres high with the rugby crossbar 2.5 metres above the ground.

Net stanchions are fitted to the back of the posts to hold the soccer net away from the posts when a net is fitted. Nets are available separately.

Supplied in a galvanized finish with a set of 4 ground sockets which need to be concreted into the ground.

Assembly is straightforward with all fixings provided.

These posts can be ordered with an additional white powder coat finish.
