## OUTDOOR NETBALL – cont.

### REVERSIBLE OUTDOOR NETBALL POST

Regulation height posts with a second hoop mounted on the back at 2600mm for Kiwi netball. Two post size options available; 40NB (48mm diameter) or 50NB (60mm diameter). Used with ground socket (available separately).

NB018	Netball Post – 40NB Reversible height socketed base	Each
GF014	Socket to suit 40 NB reversible post	Each
NB019	Netball Post – 50NB Reversible height socketed base	Each
GF012	Socket to suit 50 NB reversible post	Each

### FREESTANDING OUTDOOR NETBALL POST

Regulation size outdoor netball post on a counterweighted, freestanding base ideal for multiple courts. Wheels on the base allow the post to be lent back and wheeled into position. Hot dipped galvanised to maximise outdoor durability with a powder coated post. Available as a full height unit at 3050mm or as a telescopic post with the ability to lower the hoop to 2600mm for Kiwi netball.

NB011	Freestanding Netball Post Full height	Each
NB010	Freestanding Netball Post Telescopic height	Each

### NETBALL HOOP

Regulation size galvanised hoop. Two attachment options are available; a clamp on version suitable for both 40NB and 50NB posts and a bolt on option suitable for both steel or timber posts.

NB014	Clamp on galvanised netball hoop	Each
NB007	Bolt on galvanised netball hoop	Each
