

PRODUCT INFORMATION - SOCCER

OUTDOOR TUBULAR SOCCER GOALS

A user friendly and safety conscious design with rounded corners. Supplied in six pieces; with all special fixings and simple assembly instructions provided.

Cross bars are reinforced for strength and durability with plates on the back of the goals allowing pegs or sandbags to be used to minimise tipping. Nets, pegs and sandbags are all available separately.

Manufactured in pre-galvanised steel with the option of a white powder coated finish.

SE012	Outdoor tubular soccer goals 2m x 1m pre galv finish	Pair
SE011	Outdoor tubular soccer goals 2m x 1m pre galv + powder coated finish	Pair
