

12 ARM BASKET DISPLAY STAND

A simple yet impressive way to display hanging baskets.

The stand is easy to assemble, which once assembled provides a robust display which is well proven in the garden centre environment.

The height of the unit is approximately 2000mm with all arms in easy reach. Each arm will easily support a fully planted basket up to 400mm in size.

All components of the stand are zinc plated to maximise durability & corrosion protection. An additional Black powder coat finish applied over the zinc coating is available as an option.

Each stand is fitted with high quality castors allowing easy manoeuvrability.

69065 Zinc plate finish

69060 Powder coat finish

All sizes are nominal
