

The wheelbarrow trolley is of strong yet lightweight construction, is very customer friendly, stable and easy to use with large wheels and a comfortable handle.

The trolley tray measures 760mm x 550mm.

All of the components are hot dipped galvanised to provide maximise durability and corrosion protection.

Our wheelbarrow trolley is one of many standard designs of trolley that we offer or we can work with you to customise a design for your facility. Please contact us to discuss your requirements.
